EXTRAS FOR CASH, RETAIL ONLY

Please do not send me orders for less than \$1 as I lose money on them and as I am not in business for my health alone I can't accept orders for less than \$1.

For extras this year I am going to follow a different plan than heretofore as in previous years there has been some confusion about the various discounts. This year on orders from \$2 to \$5 you can select 5% extra in bulbs of your own choosing. \$5 to \$25 you can select 10%. \$25 to \$50, 15%; and \$50 to \$100, 20% extra. In addition to this I am going to be generous in filling orders and though I am not promising just what I will give extra I am sure you will be pleased with the way your order is filled. If there is anything special that you are interested in as an extra gift just mention it and if my stock is plentiful enough I may slip in a bulb or so.
